

Dear ICCM-Africa friends,

This is our second ICCM-Africa newsletter!

Via this newsletter, we would like to give an update about the status of ICCM-Africa 2021.

ICCM-Africa 2021

At this moment, we do not yet know how long there will be travel restrictions in Africa and the world. It is thus hard to say at what time it would be possible again to meet each other in real life. In the meantime we are considering other options such as an online event in case the COVID-19 pandemic takes longer, but we hope that a meeting in real life will be possible in 2021. We are praying for wisdom to make the right decisions. We would like you to pray with us for the future of ICCM-Africa.

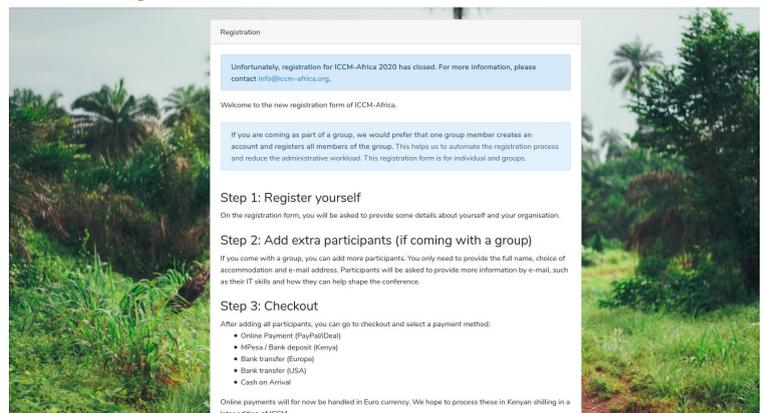

Your registration

At the time of cancellation, a number of organisations had already paid conference fees for ICCM-Africa 2020. For these participants, it will be possible to attend the next ICCM-Africa without paying any additional fees. In case anyone is not able to attend, you can let someone else from your organisation visit ICCM-Africa or we can grant you a refund.

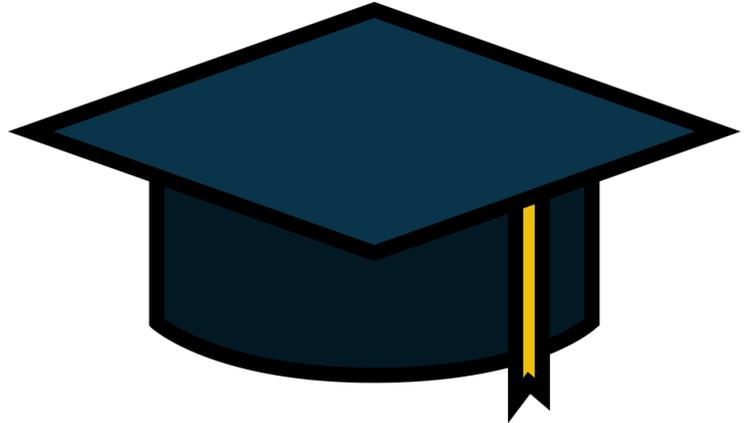

Website ICCM-Africa

For ICCM-Africa 2020 we have launched a new website and new registration system. We will continue to improve this system to make registration and administrative tasks easier. As most of us have busy jobs next to our work for KingdomIT, we do not always have time to work on the website. Consider this also as a prayer point.

Scholarships

ICCM-Africa is a conference for Africans, by Africans. Unfortunately not everybody has the means to pay for the registration, therefore we work with scholarships to make sure that everybody who is interested can attend the conference. We hope to provide some more information on our website soon, so everybody will be able to apply if needed. We will need sponsors to help us to provide these scholarships. If you are able to sponsor one or more participants to ICCM-Africa, please contact KingdomIT. In any case, we are looking at possibilities to lower the conference fees in future.

Finally, we hope you enjoyed reading our second ICCM-Africa newsletter and we look forward to seeing you again in 2021! Please continue praying for our preparations and an end to the spread of COVID-19 in Africa.

Thank you and God blessings,

ICCM-Africa prepteam
